

How to Look up a Pharmacy

You can search for a pharmacy by name or ZIP code.

Search by Name

If you are not on the Pharmacies directory screen, tap the **menu icon** in the upper left corner, and then tap **Pharmacies** in the menu list.

Note: See the *How to Use the Menu* tutorial if you need help using the menu.

The Pharmacies directory lists all pharmacies in your geographic region.

To search for a pharmacy by name you can either scroll or type a name.

To scroll, tap the first letter of the pharmacy name on the right side of the screen, and then scroll through the list.

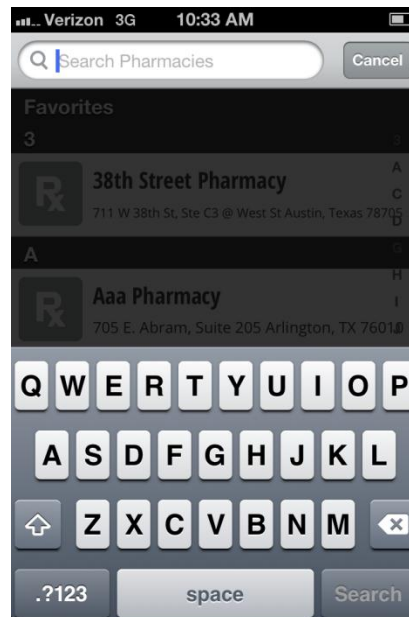

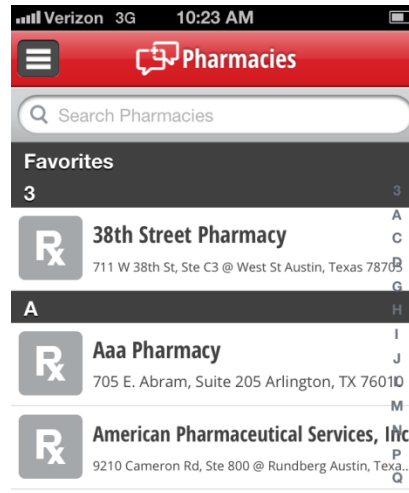

Type a Name

Tap the **Search Pharmacies** field.

The keyboard displays.

Type the name of the pharmacy you are seeking.

The app sorts through pharmacies in the directory as you enter letters. You may not need to type the entire name.
