

How to Lookup a Physician

You can search for a physician by name, ZIP code, or group.

Search by Name

If you are not on the Physicians directory screen, tap the **menu icon** in the upper left corner, and then tap **Physicians** in the menu list.

Note: See the *How to Use the Menu* tutorial if you need help using the menu.

The Physicians directory lists all physicians enrolled in your local medical society.

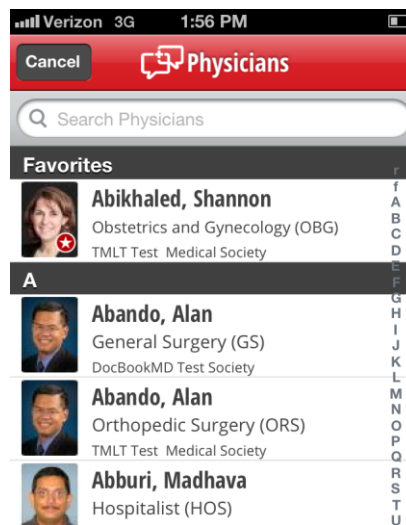

To search for a physician by name you can either scroll or type a last name.

Scrolling

To scroll, tap the first letter of the last name on the right side of the screen, and then scroll through the list.

Type a Last Name

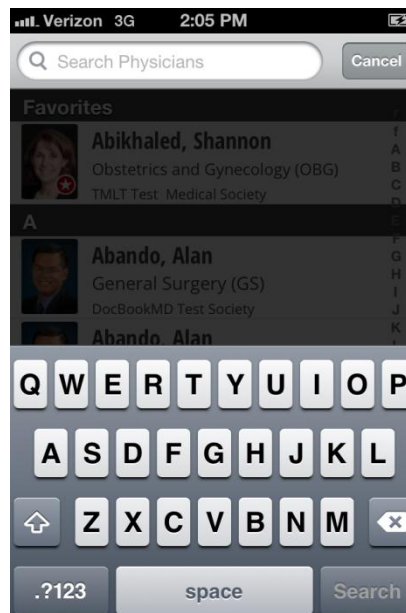

Tap the **Search Physicians** field.

The keyboard displays.

Type the last name of the physician you are seeking.

The app sorts through names in the directory as you enter letters. You may not need to type the entire last name.

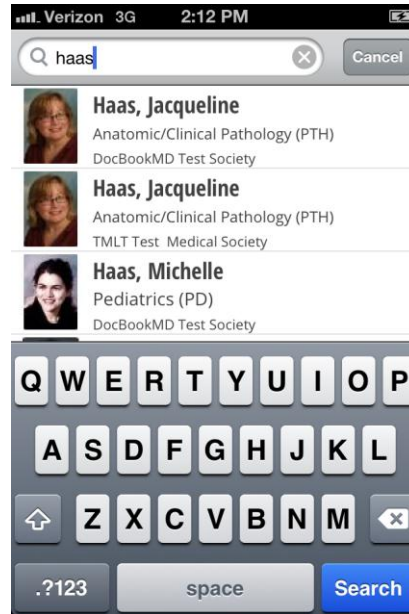

How to Lookup a Physician *continued*

A list of physicians matching your text entry displays on the screen.

If you typed the entire last name and the person you are seeking does not display above the keyboard, swipe vertically on the right side of the screen.

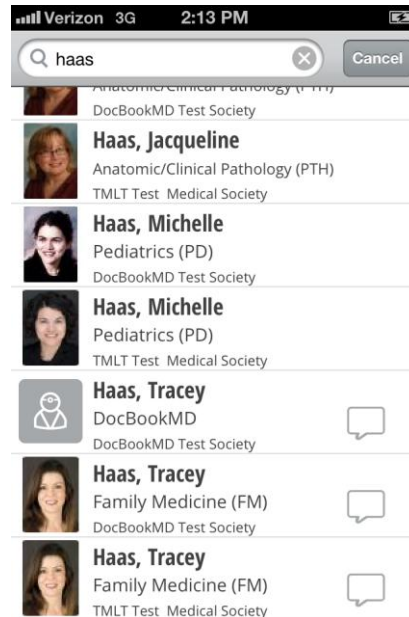

Note: Be sure to swipe rather than tap. Tapping a name will open the profile of the tapped name.

Tip: Swipe on the right side of the screen to avoid accidentally opening an individual profile.

The directory scrolls and the keyboard disappears.

Tap the desired physician's name.

How to Lookup a Physician *continued*

The physician's profile displays information from your medical society's database.

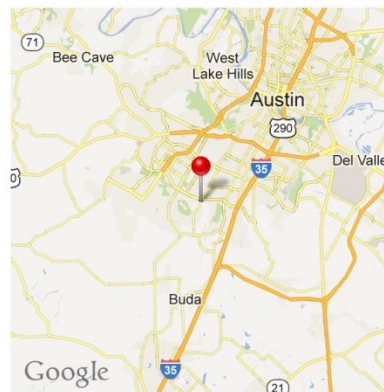

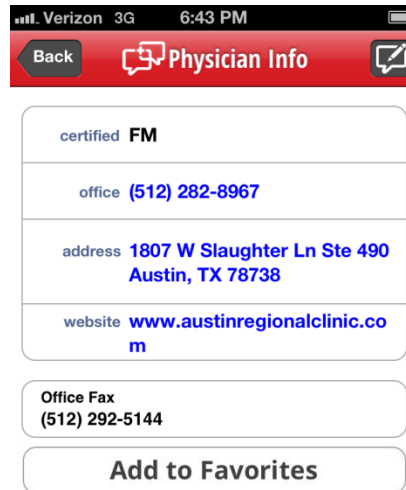

Specialties

Family Medicine

Affiliations

Scroll down the screen to see certifications and access links to:

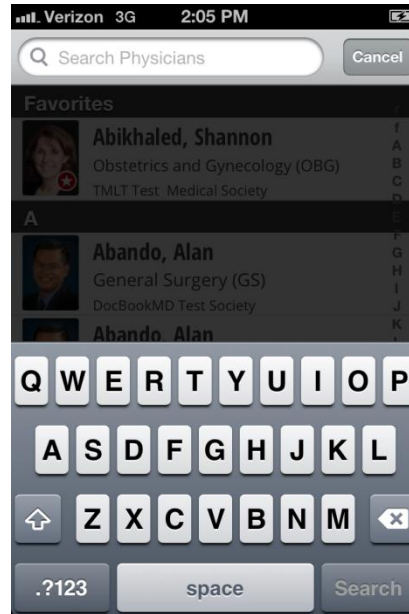

- Office phone number
- Address
- Website
- Map showing office location

Search by ZIP Code

Searching for a physician by ZIP code is similar to searching by name. Instead of typing a last name in the **Search Physicians** field, enter a ZIP code using the keyboard, and then select the desired physician from the list.

Search by Group

To search for a physician by group, select the **Physician Groups** option on the main menu.

How to Lookup a Physician *continued*

The Physician Groups screen displays a list of all groups registered with your local medical society.

Tap a group name to display information about the group.

Group information shows your favorites in the group, specialty areas, and individual physicians.
