- Providers need only to self attest one time to be eligible for the enhanced payment.
- Qualifying providers who submit a completed attestation by July 1, 2013 will be paid the enhanced rate for services provided back to January 1, 2013. These providers will receive a lump sum, retroactive payment for services provided in the quarter of January 1 through March 31, 2013. Additional payments will then be made on a quarterly basis. After July 1, 2013 the deadline for submitting an attestation for any given quarter is the 15th of the month following the end of the given quarter. For example, to receive payment for services provided between July 1st and September 30th, a provider must submit his/her attestation by October 15th to be eligible for the enhanced payments. This will include the given quarter and previous quarters back to January 1, 2013. Providers only need to attest once to receive the enhanced payments.
