

Are you interested in becoming more involved in NH Psychiatric Society (NHPS)? Why not attend a meeting? Meetings are currently held virtually, but will return to in-person at NHMS offices, 7 N. State St., Concord, NH at 6pm.

NHPS also hosts social events for members to get together with colleagues and network, such as our cruise on Lake Sunapee.

Our Objectives

To improve the treatment, rehabilitation, and care of people with mental illness, substance use disorders, and neurodevelopmental disorders

To make knowledge of mental illness and effective psychiatric diagnosis and treatment available to the public, other physicians, and policy makers

To advocate for the best interests of patients and those actually or potentially making use of mental health services

To promote research, professional education in psychiatry, and prevent psychiatric disabilities

To promote high standards of care for all psychiatric services and facilities

To foster cooperation of all concerned with the medical, psychological, social, and legal aspects of mental health and illness

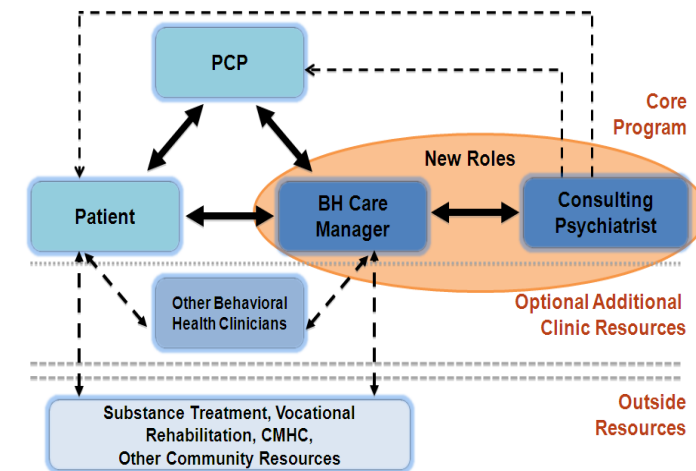

To establish and support the highest standards for psychiatric practice and assure the highest quality of mental health care

To promote the establishment as well as the maintenance of emotional health
