Dear Colleague,

We invite you to the 2013 American College of Physicians New Hampshire and Vermont Combined Annual Scientific Meeting, being held October 25, 2013, at the Hanover Inn in Hanover, New Hampshire.

This meeting is not just for ACP members. We particularly want to invite nonmembers to join us for this important clinical update and learn about the benefits of membership at the same time.

In addition to earning 6.25 CME credits, by attending this meeting you will:

• Gain insight into recent medical advances.
• Discuss local and national issues affecting the practice and teaching of internal medicine.
• Greet old friends, meet new friends and develop a network of colleagues in your area.
• Take some time for yourself or with your family to relax and enjoy the sights around Hanover.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products and services. There's always something new at the College table — stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting www.acponline.org/about_acp/chapters/nh and completing the easy online registration form. You may also complete the form on the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

We look forward to seeing you in Hanover.

Sincerely,

Lin A. Brown, MD, FACP, FACR
