NHMS Council on Education Performance-in-Practice Structured Abstract

A tool for preparing and demonstrating compliance through performance-in-practice

Instructions: Complete this form for each activity selected for the performance-in-practice review. Complete all sections applicable for the activity, and assemble attachments, marking each attachment with the appropriate number. If submitting material electronically, assemble a single PDF file that includes this form and the required attachments with each attachment bookmarked. Submit the abstract/attachments to the NHMS Council on Education as instructed.

(Note: If Regularly Scheduled Series (RSS) are selected, submit evidence for the series, not just for a single session or a sampling of sessions. The series is the activity. Therefore, you will demonstrate compliance for the RSS in the same manner as for a large annual meeting with multiple sessions.)
